2021 Annual Chapter Report*

*Eaton County Educational Employees-Retired*

*Eaton County Educational Employees-Retired have held two Zoom meetings and sent three newsletters to date. A fourth newsletter will be sent in April, 2021 and the final ECEE-Retired meeting is scheduled for May 3, 2021. It is still to be determined if the May meeting will be a Zoom meeting or an in-person picnic.*

*Livingston County MEA-Retired*

*The Covid experience has made the ability to meet more difficult. The Livingston County Chapter of MEA-Retired was able to stay active by holding Zoom meetings in October and November. We plan on a Zoom meeting in March to end our year. Attendance was limited, and we hope that next fall will find us able to meet in person.*
