

East Mid-Michigan MEA-Retired Chapter Regional 12B

Our chapter had planned five meetings until May 2020. Well, the COVID-19 changed everything.

January 28, 2020, we had a speaker from Midland City talk about the changes to Downtown Midland and Road Diet.

February 25, 2020, we had Genevieve Johnson from BCBS as our speaker.

March 17, 2020 - cancelled

April 28, 2020 - meeting cancelled, but a newsletter went out

May 26, 2020 - we had our first zoom meeting to elect Secretary and Vice President for two years.

September 22, 2020 - we had a zoom meeting with the candidates from our area answering questions.

October 27, 2020 - we planned a picnic at Plymouth Park with Kay Thelma-Walker as a speaker and the State Board recognized Tim McMann for his 20 years of service on the board. (Sorry, but it was cold, so did not stay to eat lunch. Took cupcake and rush off)

We had many members do community service. They called for candidates, wrote letters and postcards, and worked the elections. Due to the flood in Midland, many of our members were affected and others helped to clean things up. We donated money to the flood relief and the golfing outing for scholarship. We had one member do the scholarship reading. All year, we reminded our members to tell family, friends, and neighbors to VOTE.
