

Similar to other chapter reports that you have received, we have not met in person since the beginning of the COVID-19 pandemic. Therefore there is not much to report. We have been using email to stay in contact with each other and to pass on information received from headquarters.

We would like to extend our appreciation to our local 13/B Uniserv office, Joe and Nicole, for offering assistance to the retired leadership in our area.

Alice Cunningham – 13/B Chair
