

MEA-Retired Region 14 Gaylord Area MEA-Retired

We usually have a May, June, September and October meeting, however, that changed because of Covid-19.

May

This year, I interviewed Jessica Lumbreras and Andy Neumann ahead of time (on Zoom) on the topic of the future of education and political action. I uploaded it to Youtube and sent out the link to members to watch at their leisure.

June

I did the same thing for our June meeting. I interviewed Kay Walker Telma, our MEA-Retired president (on Zoom) and sent the link to the members to watch at their leisure.

We skipped September.

October 8, 2020

In the fall, I decided to have a Zoom meeting with a speaker. The speaker was Dana Ferguson, the Democrat running for US Congress against incumbent Jack Bergman.

That meeting took place October 8th. There was a total of 9 people on the call. After the presentation we thanked Mr. Ferguson and he signed off, then we had a business meeting. (Sadly, he lost the election and Jack Bergman is still our representative.)

We voted and passed two things:

1. Suspend dues until next June.
2. Keep the same officers until next June.
