ARE YOU HAPPY WITH YOUR INSURANCE?

You have probably received phone calls and mail from several insurance companies. This will continue for several months. Are you happy with the current insurance you have? If the answer is yes then disregard the calls with a simple response, "I am happy with what I have." The mailings can be easily discarded in the waste basket or even better, shredded. If you are on Medicare Advantage, it is your primary insurance. Your supplemental insurance is Blue Cross Blue Shield, HAP, or Priority Health. If you are not on Medicare then any of the four would be your primary insurance. If you want to further investigate the insurance plans, Google Michigan Office of Retirement Services. The website will give you phone numbers and e-mail addresses for the providers MPERS allows you to enroll in
